PACIFIC ENCORE OPERA PERFORMANCES

On November 1st, 2008, WINGS mentors and mentees attended a beautiful evening of opera at the Axelrod Performing Arts Center in Deal, New Jersey. They enjoyed world famous classics and beloved Broadway melodies performed by Pacific Encore Performances Repertory Company. After the performance, there was a reception opened to the guests where champagne and the finest deserts were served. This was a delightful ending to a wonderful evening. Later, WINGS mentors and mentees had the honor of meeting the talented cast of Pacific Encore and having their pictures taken with them.

Night Out With WINGS was possible thanks to the generous donation by **Mary Wier**, president of Pacific Encore Performances.
